tolino[🦋] shine 2 HD

The compact eReader for everyone.
Practical, with a new processor, display and design.

- > New 300 ppi E Ink Carta display for pin-sharp typography
- > Integrated lighting so you can read in the dark
- > Compact and practical design with touchscreen
- > Useful functions: font settings, dictionary, notes and more
- > Up to 7 weeks' battery life

300 ppi E Ink Carta screen — pin-sharp display even of small fonts

The successful tolino shine eReader is back for a second round with many exciting new features for readers in the tolino shine 2 HD: a pin-sharp 300 ppi E Ink Carta screen for paper-like display even of small fonts, a faster processor and a completely revised, more compact and user-friendly design. Thanks to its next-generation display, the tolino shine 2 HD offers a sharper reading experience with excellent black-and-white contrast. Even in bright sunlight the E Ink Carta display is glare-free, delivering perfect reading pleasure. And when it gets dark: simply turn on the integrated reading light, set it to your preferred brightness, and ... keep reading.

Over 1.8 million eBooks

Finding new eBooks is child's play with the tolino shine 2 HD's integrated eBook shop—with over 1.8 million eBooks in the tolino eBook shops you can fully indulge your passion for reading. The tolino shine 2 HD offers plenty of space for your new and older reading treasures—the tolino eReader has room for up to 2,000 eBooks (4 GB of storage, of which over 2 GB are available for your books) which you can read at any time.

Limitless freedom – buy eBooks wherever you want

tolino believes in openness and lets you choose for yourself which booksellers you want to buy from. This customer-friendly approach means you enjoy access to the full range of offerings from all available tolino eBook sellers. You can comfortably load existing ePUB and PDF eBooks onto your tolino shine 2 HD and read them there—tolino makes this especially straightforward with its tolino Cloud synchronization and the tolino library link. Digital reading – simple, practical and versatile with tolino.

Up to 7 weeks' battery life

The tolino shine 2 HD uses very little power and will reliably accompany you through the world of books for up to seven weeks on a single charge. Even on holiday you won't be needing a power outlet – and you'll never have to be without the practical reading functions of your tolino shine 2 HD.

tolino Cloud – safely store and synchronize

Want to access your eBooks easily and safely on the go, even if you don't have your tolino shine 2 HD to hand? No problem: thanks to the free tolino Cloud connection you can flexibly enjoy your eBooks on other devices. The reading apps from the booksellers and the tolino web reader make reading on different end devices especially straightforward. And because all your reading devices are synchronized, when you have your tolino shine 2 HD to hand again you can simply continue reading where you left off.

Download instantly via WLAN

Connect your tolino shine 2 HD to the Internet via WLAN and you're ready to shop! You can easily download hotly anticipated new releases, outstanding bestsellers or current eBook bargains to your tolino eReader and start reading—in seconds and around the clock. Thanks to the integrated eBook shop you'll never run out of reading material. Free use of over 500,000 Deutsche Telekom AG HotSpots across Germany gives you fast access to the Internet and new reading material even with your mobile device.
