ELITE 342

RC-342

Introduction

■ Model Number: RC-342

Elite 342 (RC-342) is a mini-tower that accommodates micro-ATX, built with a modern black design body and front panel. This chassis maintains Elite's pedigree of compact-sized and quality build that would look great in any space. Elite 342 maintains a quiet environment while providing the option of adding 80mm or 90mm rear fans to provide the best ventilation possible for a compact system.
