

## CM 690 III CMS-693-KKN1

CMS-693-KWN1

#### Features

- Full mesh on the front panel and top with large vents on the side panel for superior cooling
- 3 designated places for radiators: 240mm: top, front; 120mm: rear
- Supports up to three 200mm large fans for extreme airflow with support for up to 9 total fans (KKN1: 9 fans, KWN1: 7 fans)
- New ODD tool-less design "EZ tray" for quick installation
- Supports up to 10 SSDs (4 in the removable HDD/SSD combo cage, 1 behind the M/B tray) and 7 HDDs with HDD/SSD combo trays
- Dual Super Speed USB 3.0
- High-end component support long graphics cards up to 423mm and tall CPU coolers up to 171mm
- Multiple removable dust filters (top, front, PSU) for improved system maintenance
- Top compartment with cover to place personal belongings

#### Warranty

2 years

#### Specifications

| Available Color                                                   | Midnight Black                                                                                                                                                                                                                                                                                                                                                                                         |  |  |
