GAMING MOUSE MAT

## SHARKOON SHARK ZONE

A warning for some, an adventure for you.

The SHARK ZONE P40 mouse mat meets the demands of professional gamers.

The extremely durable textile surface ensures minimal start and frictional resistance as well as enables precise and quick gaming with every mouse. The rubber underside serves as adhesive coating and prevents accidental slippage of the mat while gaming. An additional advantage of the flexible material: The P40 can be conveniently rolled or folded for transport. At 355 x 255 x 2.5 mm, the mouse mat provides sufficient space for the mouse to operate. The durable stitch sewing around the edges prevents the fabric from fraying and ensures unmatched longevity.
